Terms of acceptance & rates for annual fees

- **Terms of acceptance:** The membership can only be accepted if the application for acceptance is filled in completely. The filled-in application for acceptance can be communicated as an online application, by post, by e-mail (as a PDF appendix) or by fax.
- **Notice of termination:** The withdrawal can only be declared as a written notice of termination (by e-mail, by fax or by post) to the head office with a period of notice of at least three months to the end of the calendar year.
- **Fee invoice:** The membership fee will be due every year when the first fee invoice is received. Only the remaining months will be charged in the year of admission. The fees can be paid by bank transfer or by SEPA direct debit. The direct debit authorisation can be revoked at any time. Should any third parties (e.g. a firm) assume responsibility for the payment of the membership fee, then it will be sufficient to notify the Member Service team of the different invoice address (if necessary, bank details).
