

TABLETOP EXHIBITION

During **LÖT 2022** we will offer institutes and companies the possibility to present their products and services in a Tabletop Exhibition.

To increase the attractiveness of the Tabletop Exhibition we will offer companies the possibility to give a **Pitch Presentation** in the technical program. In this short presentation you can introduce your company products or your technical solutions (duration 5 min.).

Pitch Presentations are reserved only for registered Tabletop Exhibitors.

The number for Pitch Presentations in the technical program is very limited. If you are interested, please submit an abstract to www.dvs-ev.de/loet2022 Use this opportunity! Present your company and your products to a professional audience!

From the field of research, development and manufacturing you can directly address experts - from scientists to technicians and from engineers to the users. Due to the very positive feedback of the last events and the limited capacities, an early reservation of your Tabletop is highly recommended!

The Tabletop Exhibition will be open throughout the Conference.

Please complete and return the registration form to:

DVS – German Welding Society, Conference Department
P.O. Box 10 19 65, 40010 Düsseldorf/Germany

P +49 211 15 91-302/-303, F +49 211 15 91-300, tagungen@dvs-hg.de

Tabletop Exhibitor
